

Safety Fun!

Colouring and
Activity Book

Learning about
safety can be

fun!

What's Inside

- Solve a maze
- Find hidden pictures
- Circle the answers
- Colour and draw

What fell off?

Cindy lost her things on the ride.
Can you find them?

Never bring your belongings on a ride.
They could get lost or hurt someone.

See answer on page 11.

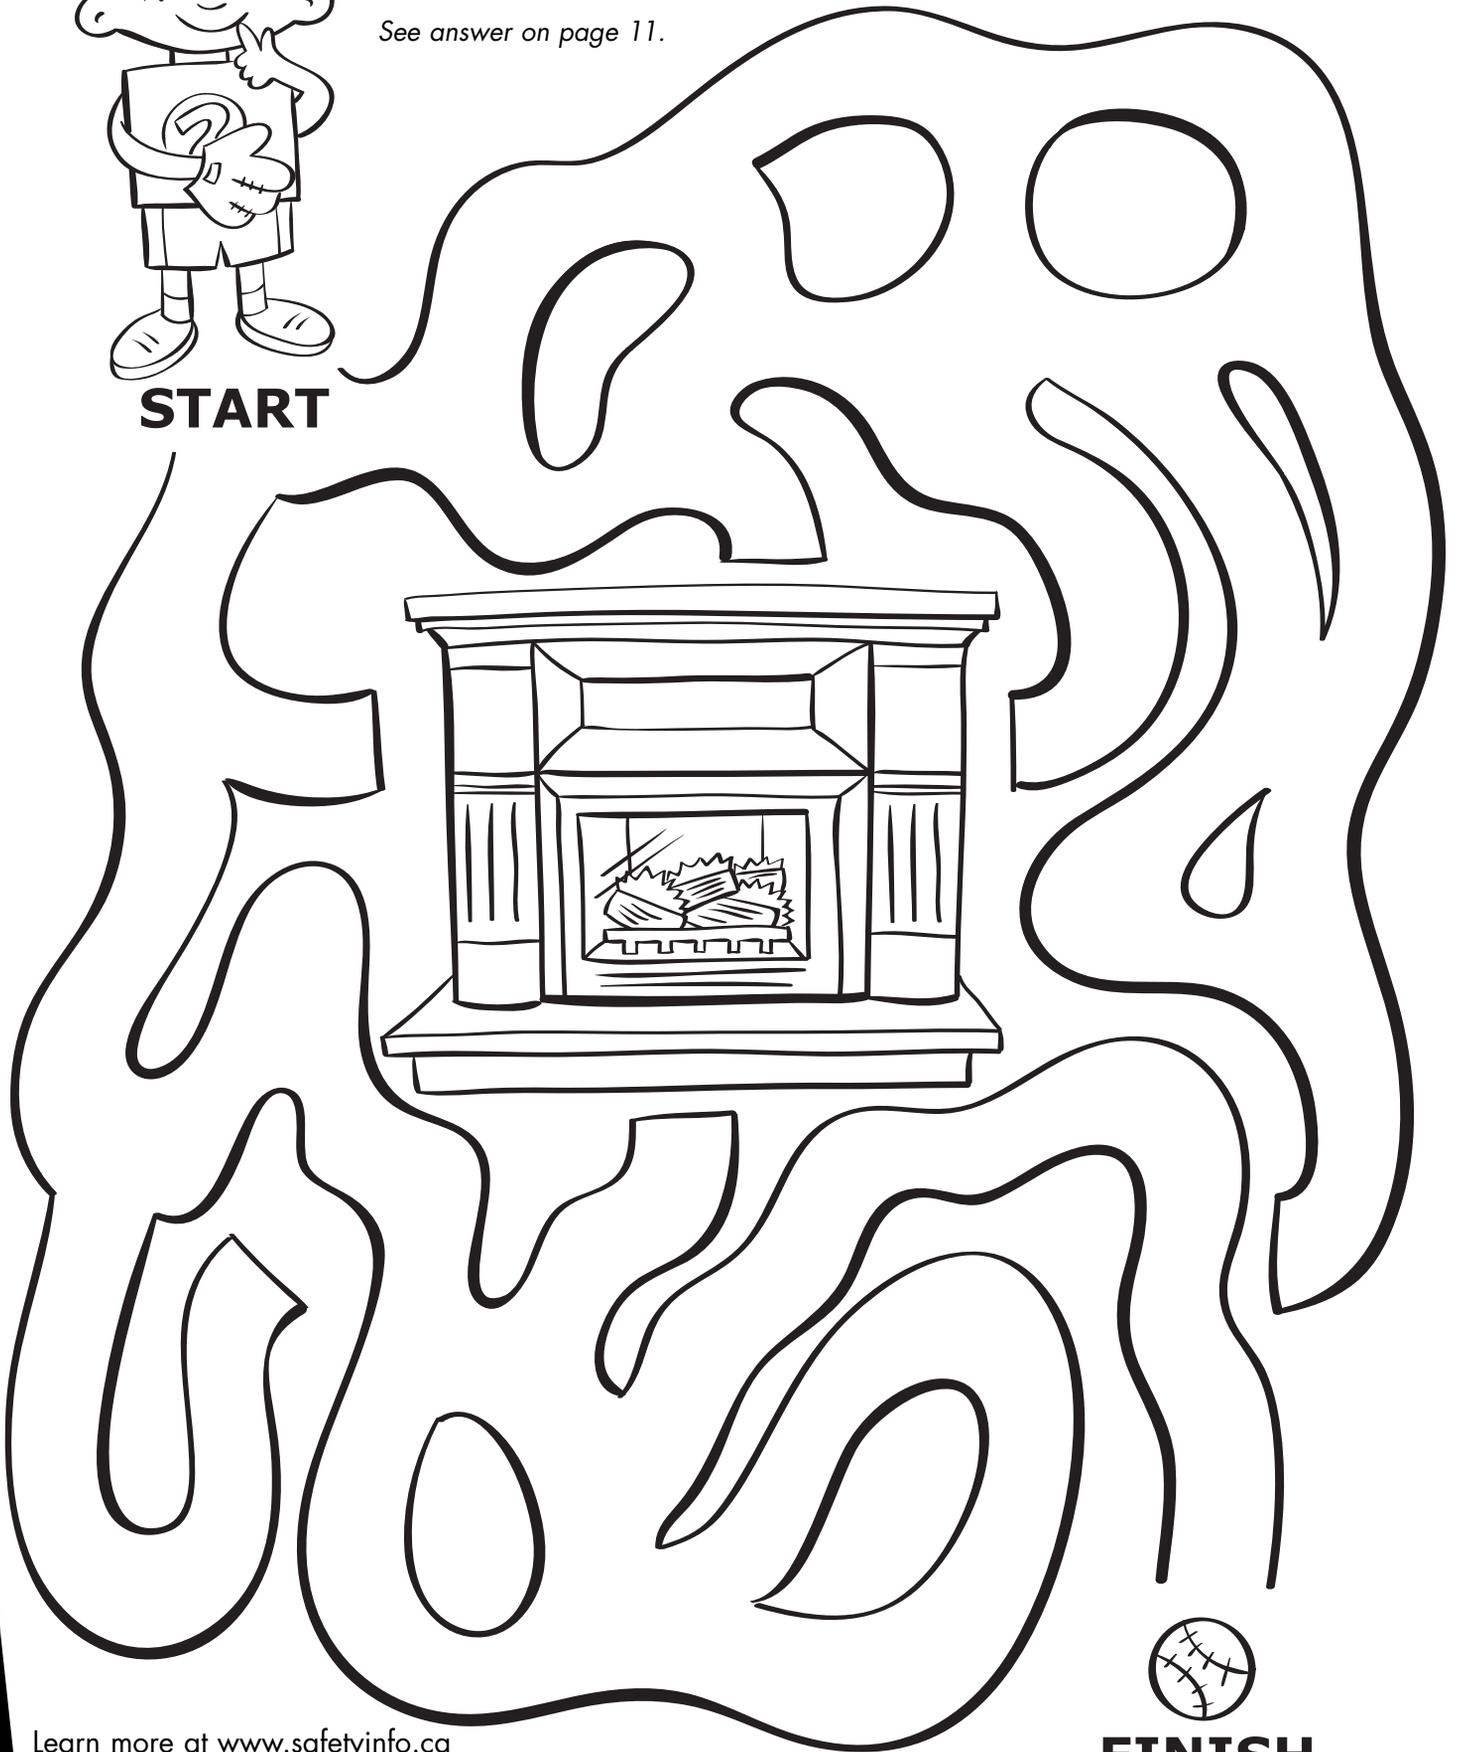

Help Max

get the ball, but stay away from the fireplace! Never touch the glass on a gas fireplace. It's hot!

See answer on page 11.

START

Circle

 the things you need in a first aid kit.

See answer on page 11.

Circle the rider who is driving safely. What are the other three riders doing wrong? Be sure to follow the rules at the fun park.

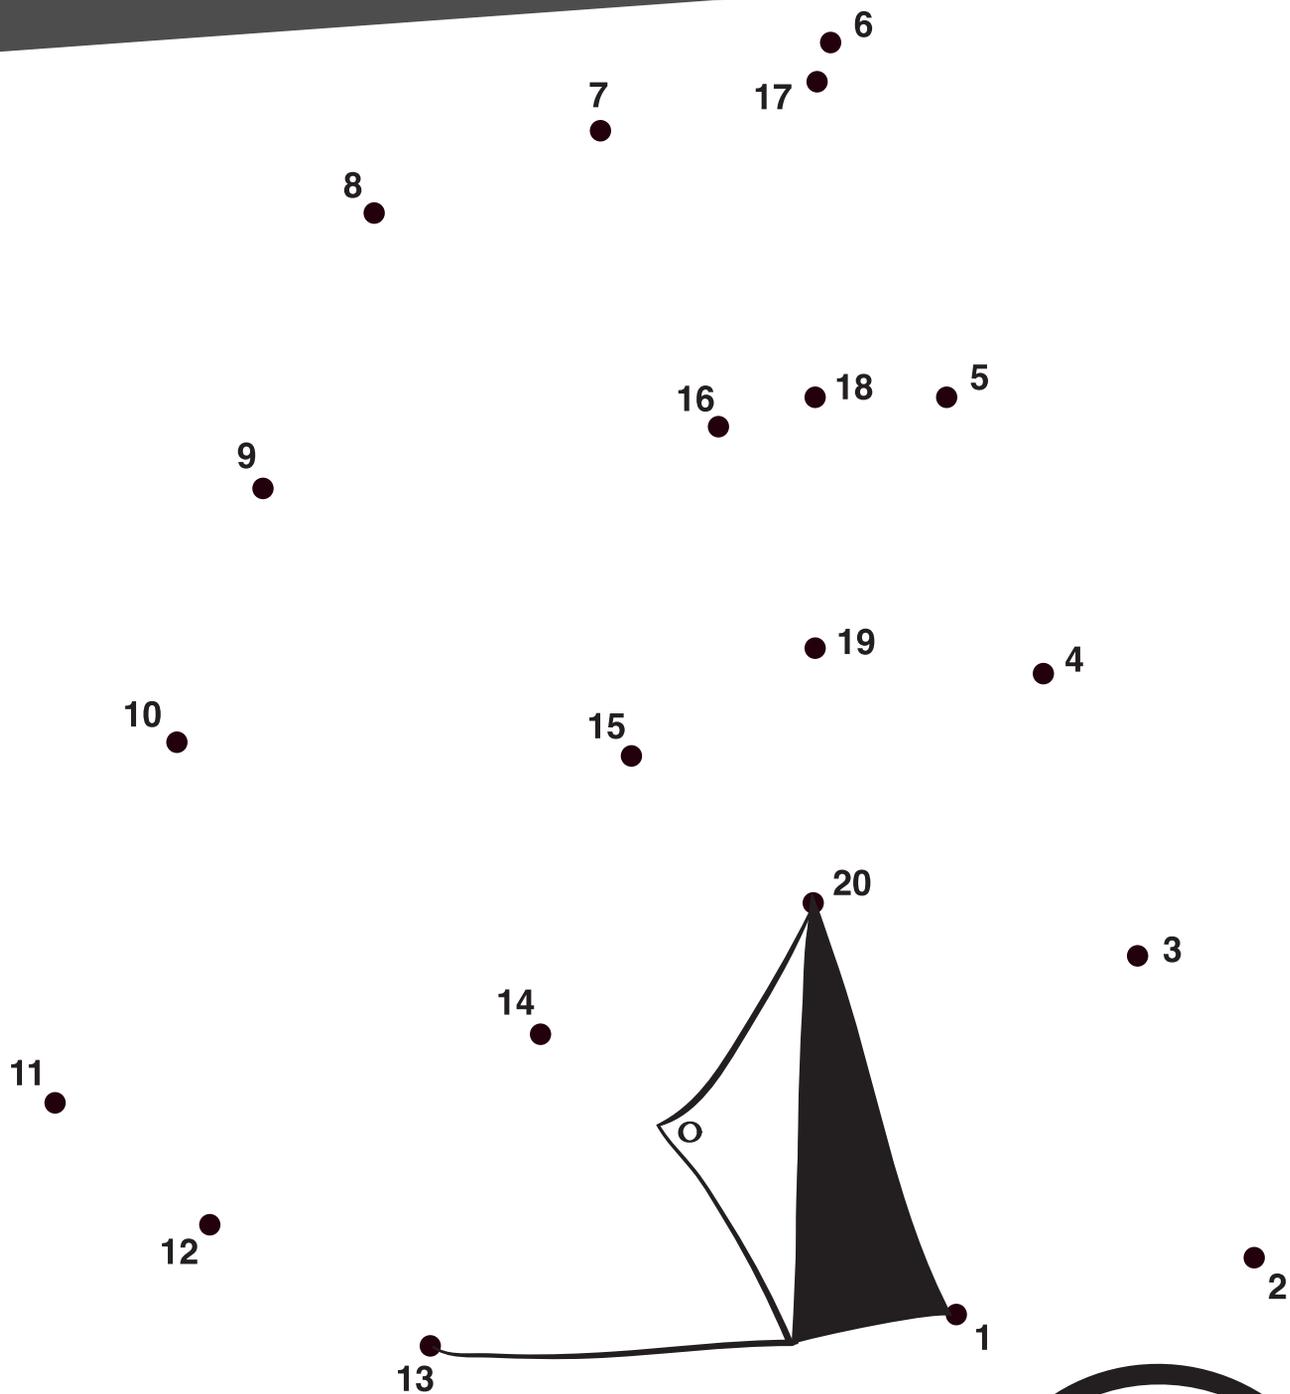

See answer on page 11.

Track Rules

- ✓ Always use a seat belt
- ✓ Tie up long hair to shoulder length
- ✓ Helmets must be worn
- ✓ No stopping, bumping or swerving on track
- ✓ Keep hands and feet in the kart at all times

Never put a portable propane heater in here!

Portable propane heaters are for outdoors only!
They could cause dangerous carbon monoxide poisoning
if used in an enclosed area!

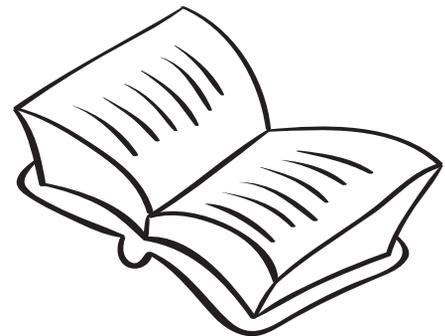

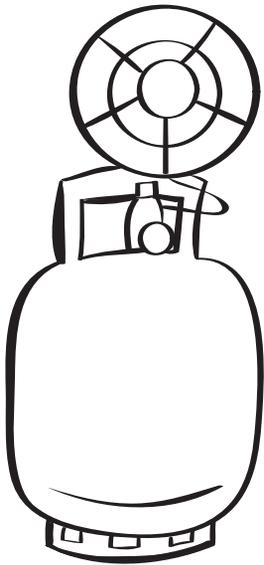

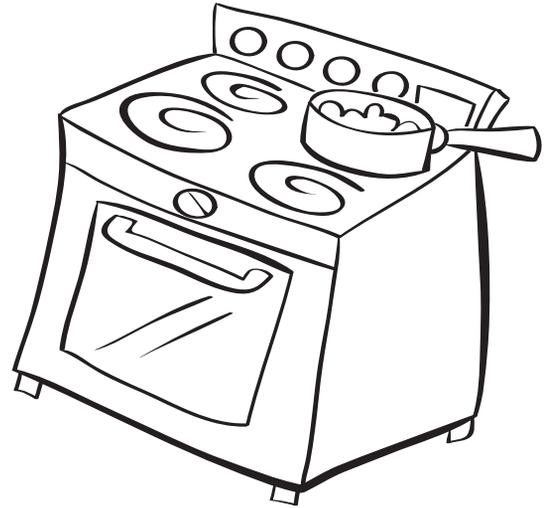

See answer on page 11.

Use red to colour the things that are hot. Never touch hot things.

See answer on page 11.

Colour

by number and stay snuggly and safe!

Make sure your stuffed toys have the safety tag.

Draw a line to connect each safety message to the right circle.

See answer on page 11.

No strollers allowed

Hold the handrail

Hold a grown-up's hand

Keep your feet away from
the sides

SAFETY FUN! CERTIFICATE

CONGRATULATIONS!

..... has completed the **SAFETY FUN!**

Cindy lost her:

- backpack
- camera
- ice-cream cone
- purse
- hat

Page 4

Page 5

These are things you need in a first aid kit:

Page 6

Rider # 1 is driving safely.

The other three riders are NOT driving safely because:

- Rider #2 is not wearing his seatbelt.
- Rider #3 is crashing into the barriers.
- Rider #4 is not wearing a helmet and her long hair should be tied to shoulder length.

Page 7

This is a picture of a tent.

You should never put a portable propane heater in a tent or in any other enclosed area.

Page 8

The hot items are:

- A stove or oven
- A mug full of hot liquid
- A portable propane heater
- A fireplace
